

Managing the risks associated with postoperative neuromuscular blockade to improve the patient's outcomes

Your invitation
to a live webcast

Chair

Jan Mulier

Anesthesiologist
Department of Anesthesiology,
Intensive Care and Reanimation
AZ Sint-Jan Brugge-Oostende
AV
Anesthesiology and Algology
KU Leuven
Department of Anesthesiology
U Gent
Gent, Belgium

Faculty

Ignacio Garutti

Department of Anesthesia
and Reanimation
Hospital General "Gregorio
Marañón"
Madrid, Spain

Fritz Pühringer

Chairman and Professor
Department of Anaesthesiology,
Intensive Care Medicine,
Emergency Medicine, Pain
Therapy and Palliative Care
Klinikum am Steinberg
Reutlingen, Germany

Webcast transmitted live on
Friday, 17 December 2021, 12:30 – 13:30 (CET)

To view from your home or office, register at:
